## CAREER OBJECTIVE

Motivated Computer Science Engineering student with a strong academic foundation, technical proficiency, and a passion for innovation. Experienced in hands-on academic projects involving web development and computer vision. Adept at working in collaborative environments and constantly seeking opportunities to apply knowledge in real-world scenarios.

## EDUCATION

- **SJB Institute of Technology** [2022-2026]  
*Under the affiliation of Visvesvaraya Technological University (VTU)* **CGPA - 8.31 /10**  
*BE/BTech in Computer Science & Engineering*
- **Pace U M PU College** 2022  
*Department Of Pre-University Education, Karnataka* **Percentage: 93**
- **Poorna Prajna Education Center** 2020  
*KSEEB, Karnataka* **Percentage: 94.88**

## PROJECTS

- Real-Time Face Recognition Management System Using Biometrics** Ongoing
  - Built a face recognition system using Python and OpenCV to mark attendance in real-time.
  - Used biometric authentication with a GUI and database to store and manage user records securely.
- Cursor Control using Facial and Hand Gestures** Dec 2024
  - Built a hands-free interaction system using facial recognition and gesture tracking.
  - Demonstrated integration of computer vision with user input control for accessibility.
- Mobile Application Development Using Java**  
Case Study: Expense Manager App May 2025
  - Designed and developed an Android app using Java to track daily expenses, categorize spending, and manage budgets.
  - Integrated SQLite for local data storage with user-friendly UI for adding, editing, and analysing expense records.

## TECHNICAL SKILLS

- **Programming:** Python, C, Java, Data Structures & Algorithms, C++
- **Database:** SQL, MongoDB[basic]
- **Tools & frameworks:** React, VSCode, IDE Eclipse
- **Others:** Operating System, Computer Networks
- **Soft Skills:** Adaptability, Leadership & Team work, Time Management, Critical Thinking

## CERTIFICATE

### TCS iON Career Edge – Young Professional (2023)

Completed foundational professional development program focusing on communication, corporate etiquette, and analytical skills.

### Career Development Training Program-VRUDDHI (2025)

Participated in **Rakuten Product Conference 2025** on *.AI-Ready Culture: Machine Speed, Human Ingenuity*
